NEBOSH International Diploma in Occupational Safety and Health

NEBOSH International Diploma

The NEBOSH International Diploma is the leading qualification for international health and safety practitioners. The Diploma builds on the knowledge gained at certificate level and is designed for those seeking a successful long-term career in health and safety and who want to be recognised as a health and safety professional.

The NEBOSH Diploma meets the academic entry requirements for:

- graduate membership of IOSH (GradIOSH), the first step to becoming a Chartered Health and Safety Practitioner
- full membership (MIIRSM) of the International Institute of Risk and Safety Management (IIRSM)

The NEBOSH Diploma also allows you to use the letters 'IDipNEBOSH' after your name.

NEBOSH International Diploma - Content

The NEBOSH International Diploma is made up of four units which need to be completed within 5 years:

Unit IA: International Management of Health and Safety

- Principles of Health and Safety Management

8,000 word work based project

Entry Requirements

The NEBOSH Diploma builds on knowledge that is gained from studying a NEBOSH Certificate or similar course and it is therefore highly recommended such a qualification is gained before starting the NEBOSH Diploma course.

For details on the knowledge required before starting to study the NEBOSH Diploma see our Guidance on Direct Entry to the NEBOSH Diploma.

Assessment

The examination consists of three 3 Hour written examinations (one each for Units IA, IB & IC) and an 8,000 word work based project. You must pass all four to be awarded NEBOSH International Diploma in Occupational Safety and Health.
