IEMA Certificate in Environmental Management

IEMA Certificate in Environmental Management

The IEMA Certificate in Environmental Management provides detailed knowledge of environment and sustainability principles, and will arm you with management tools and skills to deliver positive change. It is aimed at staff who already have a foundation level of environmental/sustainability knowledge (gained from work experience or through a course such as the IEMA Foundation Certificate).

The IEMA Certificate meets the requirements for **Practitioner Membership of IEMA (PIEMA)** and the first year's subscription is included in your course fees (initially affiliate membership is granted but can be upgraded on successful completion of the course).

Course Content

The **IEMA Intermediate Certificate in Environmental Management** course covers:

Module 1: Fundamentals of sustainability, business and governance
- Implications of global trends for the environment, society the economy and for organisations and the role of an environment/sustainability professional in overcoming these challenges
- Sustainable business/governance models and principles

Module 2: Environmental principles, policy and legislation
- Environmental principles
- Major policy and legislation

Module 3: Environmental management/assessment tools and skills
- Major tools, techniques, systems and practices to develop sustainable products, services and solutions
- Data collection, critical analysis and information reporting to inform decision making
- Problem identification and opportunity assessment for delivery of innovative and sustainable products and services
- Effective communications
- Stakeholder identification and engagement
- Tools, techniques, systems and practices to identify opportunities and risks
- Project and programme delivery to achieve performance improvements
- Implementing change and transformation

Assessment

The **IEMA Certificate in Environmental Management** is assessed by assignments for each module and an assessment of competence (this forms Module 4 of the programme)
