

NEBOSH Health and Safety at Work Award

The **NEBOSH Health and Safety at Work Award** provides a good basic understanding of health and safety and is ideal for individuals wanting a solid introduction to the subject, as well as organisations wanting to improve their safety culture. It will equip your workforce to identify and deal with hazards at work, helping to reduce accidents and achieving cost savings for the business. The types of people who would benefit from this qualification include:

- Team leaders and supervisors
- HR professionals
- Facilities managers
- Those working with young people in a training environment

Course Content

The NEBOSH Award is made up of one unit:

Unit HSA1: Health and Safety at Work

- Why and how you manage health and safety
- Dealing with common workplace hazards
- Stop incidents and ill-health before they happen
- Learning from incidents

Assessment

Unit HSA1 of the NEBOSH Health and Safety at Work Award is assessed by a three-hour workplace health and safety review which should be carried out in the learner's workplace. Exams are available on-demand throughout the year.
